## Material Safety Data Sheet

### 1. Basic Information

Product Shipping Name ~ SUPERKLEEN Grill cleaner

Hazard classification ~ non hazardous

Product Description ~ Long chain, Eco –friendly, detergent chemical

Product Type ~ Liquid

Manufactures name & address: Superb Kleaning Product

# 37 Lakeshore Homes, Kasavanahalli, B'lore 35

Emergency Contact Person & No: Mr. Sunil.Panjwani :

9945006505, 08028441186

Fax No: 08028441186

E-mail: [sunil9superkleen@gmail.com](mailto:sunil9superkleen@gmail.com)

### Principal Components

1. Long chain bio degradable detergent
2. Viscosity booster
3. Water Softener
4. D.M.water with low bacteria count

### 2. Physical Data

Appearance ~ liquid

Solubility ~ miscible with water

Chemical state ~ alkali

Boiling point ~ N/A

Ph value ~ 7

Specific gravity ~ 0.80

Packing: 10ltr hdpe can

### 3. Fire & explosions hazard data

Flammable limits ~ non- flammable

Flash point test ~ NA

Special fire fighting ~ NA

#### 4. Reactivity data

Viscosity ~80 -100

Stability data ~ stable

Incompatibility ~ none

Conditions to avoid ~ none

Materials to avoid ~ none

Toxicological Info ~ none serious

Vapor density ~ NA

Percent Volatile by volume ~ NA

Evaporation rate ~ NA

#### 5. Handling information

Steps to be taken if material is released or spilled ~ mop up with absorbent & wash area with water.

Ventilation recommended ~ none

Other protection ~ Gloves recommended

Waste disposable method ~ disposal according to state regulation.

#### 6. Personal protection

Eye protection ~ washes eyes thoroughly with clear water if contact is made.

Skin protection ~ Gloves recommended.

Respiratory protection ~ none

7. Ecological Information ~ Does not disturb environment

8. Emergency first aid ~ Only symptomatic

Caution: Keep container tightly closed, avoid spillage, store in cool place, avoid eye contact & do not swallow.
